

Team Name: Subiksha Vaidhyanathan, Kyle Cox, Emmanuel Gutierrez Rivera

Report Number: 15

Reporting Week: Apr 21 - Apr 27

Summary of work completed in prior week:

This is our fifteenth week working on the project, as well as our final week before our final product presentation. Tasks that have been accomplished are: Work towards finalizing documentation, creation of the “Make” button on the recipes page, a bug fix with the “Create” and “Make” modes on the recipes page, some logic fixes, testing and bug fixing, many styling changes among many other small visual changes to prepare the website for final submission.

Summary of work planned for next week:

We will finish any work that may be needed for the website to finalize it, and ensure our materials are all complete and ready to go by Monday night. We will do our final product presentation to Sean on Tuesday afternoon, and after that, we will just need to finish our documentation by Friday.

Open issues and action plan to resolve them:

There are not any open issues currently.

Meeting summary

For each team meeting provide the date, time, and location of the meeting. Indicate which members attended the meeting and itemized action items discussed in the meeting.

We did not meet physically this week, but we did discuss a plan on Slack for our final presentation next week on Tuesday. We have a game plan on how we want to present our website there.
