

**Team Name:** Subiksha Vaidhyanathan, Kyle Cox, Emmanuel Gutierrez Rivera

**Report Number:** 10

**Reporting Week:** Mar 17 - Mar 23

**Summary of work completed in prior week:**

This is our tenth week working on the project. Tasks that have been accomplished are: Continuing work on our project website (home page restyling, image support in pantry, and servings updation on recipe page), as well as work associated with the SRS document and other documentation which we need to turn in at the end of the semester.

**Summary of work planned for next week:**

We will continue work on our project website and documentation. Additionally, we will work on how the conversion system works on the recipe and pantry page.

**Open issues and action plan to resolve them:**

We need to fix the conversion system of the pantry page and recipe page and re-styling cart page.

**Project management summary**

Team member	Tasks completed	Hours worked for week	Total hours
Kyle Cox	Fixing image caches on the pantry page, worked on SRS document	3 hr 0 min	29.00

### Meeting summary

For each team meeting provide the date, time, and location of the meeting. Indicate which members attended the meeting and itemized action items discussed in the meeting.

We met in person on 3/18/2025 during our usual class time in class for showing our front-end demo and discussed on what are the issues that were faced during the demo and what other requirements are left to work on.
