

Team Name: Subiksha Vaidhyanathan, Kyle Cox, Emmanuel Gutierrez Rivera

Report Number: 2

Reporting Week: Jan 20 – Jan 26

Summary of work completed in prior week:

This is the second week working on the project. We have chosen the topic Grumpy Chef as the topic for the upcoming project. Tasks that have been accomplished are: Updating team website, Had interview with Sean about the project details, had a team meeting about what APIs, the database and other applications are going to be used for the project.

Summary of work planned for next week:

Getting familiarized with the working environment that we might need to work on and learn more about it if needed. Planning on setting up the work environment and who is going to work on which part.

Open issues and action plan to resolve them:

I don't think we currently have any open issues to be resolved.

Project management summary

Team member	Tasks completed	Hours worked or week	Total hours

Emmanuel Rivera	Working on team website, discussion during class, Interview discussions	2hr 45mins	4.15
Subiksha Vaidhyanathan	Worked on how the databases and other application works for project, discussion during class, interview discussion	2hr 45mins	3.75

Meeting summary

For each team meeting provide the date, time, and location of the meeting. Indicate which members attended the meeting and itemized action items discussed in the meeting.

We had an in-person meeting on 23rd Jan, at Russ 152C, during 11:00 am to 12:00pm (class time) and we discussed about our interview which was to be held on 24th of Jan. We also discussed about the applications that needed to be used for the project and which ones might seem like good options considering our previous experiences using them. We also had a team meeting in slack after our interview on the 24th of Jan and clarified our assumptions and doubts about the project and decided to meet the following tuesday which is on the 28th of Jan for our next meeting.
